

# What can we do to close the gap in Marion County?

Our hardworking families, children and our neighbors on fixed incomes deserve the opportunity to succeed in life — that success is tied to having a safe, stable place to call home. In Marion County, housing prices have moved out of reach for ordinary people.

## quick facts Oregon

44% of renters in Oregon are unable to afford a two-bedroom apartment at fair market rents.

Over 15,800 of our K-12 students were homeless during the 2007-2008 school year. This number has nearly doubled since the 2003-2004 school year.

70 = the number of hours a worker earning Oregon's minimum wage had to work each week in 2008 to afford a two-bedroom apartment.

The hourly wage necessary to afford a two bedroom apartment at Fair Market Rents is \$13.87. The hourly wage has gone up 18% since 2000.
